PROFILE

Business-oriented Corporate Communications professional with over four years of experience leading strategic initiatives in internal communications, organizational culture, employee experience, and organizational development. Proven track record of driving cross-functional collaboration, managing stakeholders, optimizing processes, and delivering initiatives that support business objectives. Complemented by postgraduate qualifications in Business Management and International Business, I bring a multidisciplinary perspective to solving business challenges within dynamic organizations.

WORK EXPERIENCE

Caja Los Andes

Internal Communication and Organizational Culture Analyst

Lima, Peru

(March 2023 - May 2024)

- Led the execution of the Annual Internal Communication and Organizational Culture strategy, delivering 30 gamified engagement initiatives and 13 leadership workshops that strengthened employee engagement, reinforced organizational values, and supported change management initiatives.
- Designed and executed strategic communication initiatives that improved organizational alignment, reinforced corporate culture, and supported business priorities across multiple departments.
- Directed cross-functional initiatives in partnership with HR, leadership, and business units, coordinating stakeholders to support organizational initiatives, improve employee experience, and facilitate change adoption.
- Oversaw budget planning and resource allocation, ensuring the efficient execution of strategic initiatives while supporting operational excellence.

Learning and Employee Experience Assistant

(April 2021 - March 2023)

- Developed and implemented learning initiatives for over 500 employees, supporting capability development, accelerating knowledge transfer, and improving organizational readiness for business priorities.
- Managed the end-to-end development of 27 commercial training programs, collaborating with subject matter experts to standardize knowledge, strengthen commercial capabilities, and support continuous improvement initiatives.
- Coordinated cross-functional initiatives that aligned learning, communication, and employee engagement strategies with organizational objectives.
- Established and managed 15 strategic partnerships that expanded employee development opportunities, optimized corporate benefit offerings, and strengthened cross-functional collaboration.

Grupo Centenario

Internal Communication and Culture Intern

Lima, Peru

(January 2020 - April 2021)

- Supported the execution of internal communication and culture initiatives, contributing to employee engagement, organizational alignment, and workplace experience.
- Developed communication campaigns and high-impact internal content to promote organizational culture and increase employee awareness.
- Collaborated with cross-functional teams to coordinate employee engagement activities and support organizational climate initiatives.
